Richards), the Executive Engineer, Town (Mr. E. M. B. Davies representing), Mr. J. L. Sime, Mr. D. Freeman, Mr. Khoo Keng Hooi, Mr. Yap Tai Chi, Mr. H. B. Talalla, Mr. M. Cumarasamy, Dr. E. T. MacIntyre, J.P., Haji Mohamed Taib, J.P.

ABSENT: The Health Officer (Dr. F. V. Jacques), Dr. M. J. Ahern.

IN ATTENDANCE: Mr. N. MacPhail acting Secretary and representative from *Malay Mail*.

1. Minutes: The minutes of the last meeting are confirmed.
2. Town Hall rental: A request by the representative of the Bandman Opera Company for reduced rental of Town Hall for their forthcoming performances is submitted. It is decided to refuse the request and to bring the question of the rates for the use of the hall forward at a later meeting after preparation of a return showing the revenue and expenditure for the past three years.
3. Cash deposit system: After full discussion a proposal by Mr. G. A. de C. de Moubray seconded by Mr. Talalla "that the Board revert to the system obtaining prior to the introduction of the cash deposit system" is put to the meeting when eight vote in favour and four against. The Chairman declares the resolution carried.
4. Ampang-Cross Street houses: application for closing order: The Chairman intimates that in view of the result of the case in respect of houses Nos. 1, 3, 5, 7, 11 and 15, Cross Street, he has withdrawn the application for closing orders regarding houses Nos. 1, 3, 5, 7, 11 and 15, Ampang Street, and Nos. 9 and 13, Cross Street.

Pillion riding: The Chairman informs the meeting that a suggested clause to make pillion riding a punishable offence under "The Minor Offences Enactment, 1920," had been rejected at a meeting of the Federal Council on 15th September, 1920, and considers that no further action should be taken in the matter. Mr. Talalla is of opinion that the question should be again raised, but the view of the Board is that the matter should now drop.
6. Late Sanitary Inspector Fonseka: A letter from Mrs. Fonseka acknowledging the vote of condolence passed by the Board is read, also an application from Mrs. Fonseka for a gratuity. It is decided to approach the Education Department recommending that free education be granted to the five children up to leaving age or Senior Cambridge stage, and to leave it to the Chairman to recommend a gratuity.

8. Child Welfare Centre: The Chairman reads a memorandum by the Acting Chief Secretary in which it is stated that before long greater expenditure will be necessary, particularly in the provision of more suitable buildings and equipment, and expressing the opinion that the cost of an undertaking of this nature should be met for the most part at any rate by a corresponding increase in the general assessment rates in the Sanitary Board areas benefited thereby. It is decided to bring this matter forward at next meeting in conjunction with assessment rates for 1924.
9. New Police Station, Sentul: The Board offers no objection to the site for the proposed new Police Station at Sentul.

Minutes of previous meeting confirmed, copy having been circulated to members.

## BUSINESS:

1. Papers dealing with assessment rates for the year 1924 were laid before the Board and considered. Board recommend that the general rate in 1924 be the same as that in force for 1923, viz., 13 per cent. for Seremban Sanitary Board area, and 7 per cent. for the outstations, and decide to adopt the valuations shown in the 1923 registers subject to such alterations and amendments as may be found necessary.

The Board were not in favour of any additional rate being imposed under section 13 of the Enactment.

2. Papers dealing with suggested "Amendment to the Sanitary Board Enactment so as to allow different rates in different parts of the same Sanitary Board area" were laid before the Board for consideration.

The Board were in agreement with the views of the Kuala Lumpur Board and considered that any divisions of the rates by zoning would lead to an enormous number of appeals. The Board also considered that the present maximum rate of 15 per cent. as laid down in section 12 of the Enactment was sufficient and were not in favour of increasing it to 20 per cent.

3. Application from Chee Kee and others for pedlars, licences in Wallich Street came up for consideration. A letter on the subject from the Chairman, Sanitary Board, Kuala Lumpur, was read, Mr. Wong Yick Tong produced specimen licences and stall plates as issued for use in Foch Avenue, Kuala Lumpur. The question of amending by-law 161 as was done in Kuala Lumpur to enable the Board to license the applicants was considered. It was pointed out that the applicants did not require large stalls and further that the locality (Wallich Street), where they wish to sell clothing, etc., was not suitable for the erection of such stalls. After discussion it was decided to ask Mr. Wong Yick Tong to interview the applicants and enquire what other sites would be acceptable to them and if they were prepared to pay street stall fees for the right to sell between the hours of 6 p.m. and 9 p.m. only.

4. The Chairman referred to the contamination of the Temiang River and the silting up of same, after some discussion it was decided to refer the matter to the State Engineer and ask that a report on the silting up of the Temiang and the Setul River (which flowed into the Temiang near the People's Park) with suggestions for remedying the same might be prepared for the Board's information.

5. The Chairman reported that Yap Chai Yee, holder of common-lodging house and coffee shop licences at No. 12, Setul Road, had been convicted of harbouring prostitutes, and that the common lodging-house licence had been cancelled. The Chairman then read a letter from Lovelace and Hastings asking that the coffee shop licence might be retained by Yap Chai Yee, the Board were unable to consider the application and approved cancellation of both licences.

6. The Chairman reported that six houses at Labu village had been, at his request, inspected by the Executive Engineer and as all the buildings had been reported to be in a dangerous condition he had issued notice under by-laws 216, 217 to the occupiers to remove from and to the landlord to demolish the buildings. The Board concurred.

7. Papers dealing with joint storage godown for benzine and kerosene were laid before the Board, for their information, the Board noted that the Hon'ble the British Resident agreed with the Board's decision regarding dividing wall in godowns of this nature.

8. Papers dealing with cancellation of common lodging-houses, coffee and eating shops licences were laid before the Board for their information. Chairman informed members that the conditions would be endorsed on all licences issued in 1924.

9. Chairman informed the Board that the agreement with the United Engineers Ltd. re Seremban electricity supply had been extended until the end of 1923.
